

DON'T NEGLECT YOUR NECK AND DÉCOLLETÉ!

IT IS OFTEN THE FIRST AREA TO SHOW SIGNS OF AGING AND SUN DAMAGE!

Brampton Cosmetic Surgery
& MEDICAL SPA

Presenting the Neck and Décolleté professional treatment by AlumierMD

This treatment combines the AlumierMD Glow Peel, Deep Moisture Mask and the Neck and Décolleté Firming Cream to create a results driven approach to reduce the signs of aging and sun damage in the Neck and Décolleté.

Neck and Décolleté Firming Cream

- Restores a more youthful appearance.
- Contains Licorice & Kojic acid to reduce the appearance of hyperpigmentation.
- Contains gentle flower acids to exfoliate dead cells and enhance skin renewal.
- An amino acid and copper complex and low levels of encapsulated retinol firm, strengthen the skin and improve elasticity.
